

Sacred Selections' mission is to financially assist Christian couples whose hearts and homes are open to loving and raising a child in the nurture and admonition of the Lord. The dream of parenting does not have to be constrained by limited financial resources. The foundation, its board and many generous donors are committed to using the blessings we've received to assist in the wonderful effort in creating a Christian home and family.

Since 2008, Sacred Selections has helped to fund the adoption of 63 children to over 40 families. These families live in 18 states, and the children are from 7 different countries. The Bartlett Benefit has raised \$85,000 to help fund 13 of those adoptions!

With YOUR help, we can make this year's event an even bigger success!
